2012 Africa Business Briefing Series

Hosted by:
Diversity Restoration Solutions, Inc.

January thru December 2012

Coming to major cities around the United States

“A REGION 7 Initiative”

Diversity Restoration Solutions, Inc., a U.S. based international trade development and cultural diversity training, will host a series of meetings called the **Africa Business Briefings**. The briefings will focus on developing relationships for U.S. and Africa trade opportunities for small businesses. We will conduct the briefings in a boardroom style setting to encourage intimate exchange of dialog and promote relationship building.

Briefing Highlights

- Business opportunities, U.S. funded projects in Africa and commercial development and investment opportunities

International Trade Support

- U.S. and Africa funding sources and business assistance organizations

Focused Countries:

- Ghana, Zambia, Malawi, The Gambia, Liberia and Angola

Networking Lunch:

- Develop relationships with African country representatives, potential business partners and funding sources

Who should attend - U.S. and African entrepreneurs, business development professionals, import/export, manufacturers, logistics and transportation professionals in addition to U.S. and African government trade officials.

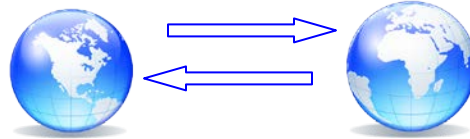

Space is limited to the first 50 people. Affordable sponsorship opportunities for briefings, program booklet advertisement or networking lunch are available. Sponsorship packages will be provided upon request. For more information on registration or sponsorship, please contact Eric Sheppard at (757) 842-4835.
