

# DIVERSITY RESTORATION SOLUTIONS, INC.

*"Merging Commerce and Culture in Africa"*

Dear Potential Network Member:

**Diversity Restoration Solutions, Inc. (DRS)**, a Virginia (USA)-based international trade development firm focused on U.S.-Africa trade, cordially invites your company to submit a request for participation in our **African Diaspora Industry Sectors Network (ADISN) Trade Program**.

ADISN was developed for American businesses, particularly small and medium manufacturers, distributors, professionals and service providers, to develop global business strategies focused on doing business on the continent of Africa and restoring cultural relationships in the African Diaspora business community. Because of the value of the direct relationship building, ADISN membership has been expanded to companies outside of the U.S. who are located on the African continent or in the African Diaspora.

Our mission is to assemble a network of global businesses that provide products and services to assist in the infrastructure and economic development of Africa. The primary goal is to position the ADISN members to become a first choice resource for African businesses and officials when they have a need to fulfill trade, commerce, and procurement opportunities associated with the development of their countries and business enterprises. If there is also a product or service import need for our U.S. members, we want to provide them with Africa business entities developed through our network program relationships as a resource to fulfill their business needs.

We are actively looking for companies in the following industry sectors to join the network:

- Agriculture
- Aquaculture & Fisheries
- Construction (All industries)
- Energy & Mining
- Environmental Management
- Entertainment and Media
- Financial Sectors
- Educational Sectors
- Food & Drink Processing
- Healthcare & Medical Supplies
- Hospitality, Tourism and Travel
- International Law
- Light Manufacturing & Assembly
- Real Estate Investment (Residential & Commercial)
- Telecommunications & Technologies
- Transportation (including Auto and Auto Supplies)

In addition to being included in the ADISN global network program, members will be sent information on ADISN events such as the Africa Business Conference and seminars on developing trade relationships with Africa. Members will also receive invitations to participate in Africa orientation visits and trade missions hosted by DRS, updates on African trade and commerce current events; Access to resource information for ADISN business contacts; and information on non-ADISN Africa trade missions and business orientation visits.

Your affordable membership year is on a rolling 12 months basis from the date your membership is approved. Upon receipt of your ADISN participation form, your request will be processed. No payment will be processed prior to network approval. DRS reserves the right to approve or deny any ADISN participation request. Please allow 3-5 business days for processing.

For more information on ADISN or Diversity Restoration Solutions, Inc., contact Eric Sheppard, DRS President, at (757) 484-0906 or via email at [esheppard@diversityrestoration.com](mailto:esheppard@diversityrestoration.com) or visit our website at [www.diversityrestoration.com](http://www.diversityrestoration.com).
