# **WEST AFRICA OFFICE!**

## **Need a representative in Africa?**

**DIVERSITY RESTORATION SOLUTIONS, INC.** is now registered to do business in The Gambia, West Africa. We are positioning ourselves to assist businesses in North America that are interested in transacting business in West Africa.

Our clients will enjoy the ease of having our staff support your business efforts locally in Africa. We conduct studies and assessments of industrial and service industries in Gambia to provide necessary information to our clients in support of their investment and business needs.

As one of our clients, we can be your on-site representative in Gambia that provides your organization a cost savings on travel expenses and help to minimize the risk of doing business internationally.

Business opportunities in Africa await the expertise and capabilities of the North American Technological and Industrial Base. For more information please call (757) 238-7790 or email [\*\*esheppard@diversityrestoration.com\*\*](mailto:esheppard@diversityrestoration.com)
